My family has always loved the outdoors and recreation, beginning with my Dad owning the KOA campground in Petersburg when I was growing up.

My passion for knives and cigars led us to opening His Store & More in Temperance in 2018, which now has Michigan's largest in-store knife selection!

In 2019, we purchased our first golf course, rebranded as Crooked Creek, made constant improvements and our loyal following of golfers inspired us to purchase a second 9-hole golf course, Cherrywood, in 2023 when the opportunity arose.

We are continually grateful for everyone who stops by His Store & More, or plays a round at Crooked Creek or Cherrywood!
